## **The Three Roosevelts: Patrician Leaders Who Transformed America** James MacGregor Burns

The Three Roosevelts is the extraordinary political biography of the intertwining lives of Theodore, Franklin, and Eleanor Roosevelt, who emerged from the closed society of New York's Knickerbocker elite to become the most prominent American political family of the twentieth century. As Pulitzer Prize- and National Book Award-winning author James MacGregor Burns and acclaimed historian Susan Dunn follow the evolution of the Roosevelt political philosophy, they illuminate how Theodore's example of dynamic leadership would later inspire the careers of his distant cousin Franklin and his niece Eleanor, who together forged a progressive political legacy that reverberated throughout the world. Theodore, Franklin, and Eleanor Roosevelt led America through some of the most turbulent times in its history. The Three Roosevelts takes readers on an exhilarating voyage through these tumultuous decades of our nation's past, and these momentous events are seen through the Roosevelts' eyes, their actions, and their passions. Insightful and authoritative, this is a fascinating portrait of three of America's greatest leaders, whose legacy is as controversial today as their vigorous brand of forward-looking politics was in their own lifetimes. "A remarkable example of narrative and biographical history at its best." -- Bruce Clayton, Pittsburgh Post-Gazette "No one has written more trenchantly about Franklin Roosevelt and American politics ... than James MacGregor Burns...." -- H. W. Brands, The Raleigh News & Observer "A detailed study.... Written with impeccable scholarship." -- Malinda Nash, Houston Chronicle
