When It Was Great

Jim Sinay, Wid Bastian

When It Was Great Jim Sinay, Wid Bastian

In 1968, Jim Sinay packed up his green Caddy convertible and drove from Canton, Ohio to Las Vegas. His "Uncle" Ed Pucci, who was Frank Sinatra's bodyguard and a close family friend, set him up with an entry level dealer's job in Vegas. Over the next three decades, Jimmy experienced all Las Vegas had to offer. He dealt craps to famous gangsters in a private game, he interacted with John Wayne, Elvis Presley, Redd Foxx, Debbie Reynolds, Louis Prima and other celebrities. Jimmy was a confirmed bachelor who lived the high life with the ladies, although at times his carousing nearly cost him his life. He saw hundreds of thousands of dollars bet on one roll of the dice, he caught gambling cheaters and had run ins with some very nasty types. Jimmy's stories are folktales from a bygone era, the 1960s, 70s and 80s when Vegas was still a relatively small town. Back in the day, the "joints" were ruled by men whose names all ended in vowels and there was a good time to be had 24/7. When It Was Great will make you laugh and touch your heart, but most of all it will take you back to the Las Vegas of yesterday, when the Rat Pack played at the Sands, Elvis headlined at the Hilton and working stiff like Jimmy partied like there was no tomorrow.

From reader reviews:

James Davis:

Precisely why? Because this When It Was Great is an unordinary book that the inside of the reserve waiting for you to snap that but latter it will jolt you with the secret that inside. Reading this book close to it was fantastic author who also write the book in such incredible way makes the content inside easier to understand, entertaining way but still convey the meaning thoroughly. So , it is good for you for not hesitating having this ever again or you going to regret it. This unique book will give you a lot of positive aspects than the other book have got such as help improving your skill and your critical thinking technique. So , still want to hold up having that book? If I were you I will go to the guide store hurriedly.

Ernest Ainsworth:

Don't be worry when you are afraid that this book may filled the space in your house, you may have it in e-book method, more simple and reachable. That When It Was Great can give you a lot of good friends because by you taking a look at this one book you have point that they don't and make anyone more like an interesting person. This particular book can be one of a step for you to get success. This guide offer you information that probably your friend doesn't realize, by knowing more than various other make you to be great people. So , why hesitate? Let us have When It Was Great.

Lynnette Cash:

As a college student exactly feel bored in order to reading. If their teacher asked them to go to the library or even make summary for some guide, they are complained. Just small students that has reading's internal or real their interest. They just do what the trainer want, like asked to the library. They go to at this time there but nothing reading seriously. Any students feel that studying is not important, boring in addition to can't see colorful pictures on there. Yeah, it is to be complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore this When It Was Great can make you truly feel more interested to read.

Neil Owens:

Reading a publication make you to get more knowledge as a result. You can take knowledge and information originating from a book. Book is prepared or printed or outlined from each source that filled update of news. In this particular modern era like right now, many ways to get information are available for anyone. From media social just like newspaper, magazines, science publication, encyclopedia, reference book, new and comic. You can add your knowledge by that book. Are you hip to spend your spare time to spread out your book? Or just seeking the When It Was Great when you essential it?
