An American Family: The Buckleys Reid Buckley

An extraordinary and sweeping memoir of one of the most revered families in America -- the Buckleys

The Buckley name is synonymous with a unique brand of conservatism -- marked by merciless reasoning, wit, good humor, and strong will. Self-made oil tycoon William F. Buckley, Sr., of Texas, and his Southern belle wife, Aloise Steiner Buckley, of New Orleans, raised a family of ten whose ideals would go on to shape the traditionalist revival in American culture.

But their family history is anything but conventional. Begun in Mexico (until their father was expelled) and set against a diverse inter-national background (the children's first languages were Spanish and French) with colorful guest stars (such as Pancho Villa, and Norman Mailer), theirs was a life built on self-reliance, hard work, belief in God, and respect for all. It is no wonder the family produced nationally recognizable figures such as columnist and commentator William, Jr., *New York Times* bestselling satirist Christopher, and New York senator James.

With charm and candor, youngest son Reid, himself the founder of the Buckley School of Public Speaking in South Carolina, tells the enormously engaging and entertaining -- sometimes outrageous -- story of a family that became the mainstay of right-wing belief in our politics and culture. *An American Family* is an epic memoir that at once will appeal to conservatives, liberals, and moderates alike.

From reader reviews:

Curtis Miller:

Do you have favorite book? In case you have, what is your favorite's book? Publication is very important thing for us to learn everything in the world. Each guide has different aim or perhaps goal; it means that book has different type. Some people truly feel enjoy to spend their the perfect time to read a book. They are really reading whatever they get because their hobby is reading a book. Consider the person who don't like reading a book? Sometime, man or woman feel need book once they found difficult problem or exercise. Well, probably you will need this An American Family: The Buckleys.

Lupita Kirch:

The book An American Family: The Buckleys can give more knowledge and also the precise product information about everything you want. So why must we leave the great thing like a book An American Family: The Buckleys? A few of you have a different opinion about book. But one aim this book can give many data for us. It is absolutely suitable. Right now, try to closer along with your book. Knowledge or info that you take for that, it is possible to give for each other; it is possible to share all of these. Book An American Family: The Buckleys has simple shape but the truth is know: it has great and massive function for you. You can appearance the enormous world by available and read a book. So it is very wonderful.

John Schreiber:

This An American Family: The Buckleys book is not really ordinary book, you have it then the world is in your hands. The benefit you receive by reading this book is actually information inside this guide incredible fresh, you will get info which is getting deeper you read a lot of information you will get. This specific An American Family: The Buckleys without we understand teach the one who examining it become critical in thinking and analyzing. Don't be worry An American Family: The Buckleys can bring any time you are and not make your handbag space or bookshelves' become full because you can have it inside your lovely laptop even cellphone. This An American Family: The Buckleys having excellent arrangement in word and also layout, so you will not truly feel uninterested in reading.

Rebecca Farley:

This An American Family: The Buckleys is great reserve for you because the content that is full of information for you who have always deal with world and also have to make decision every minute. That book reveal it info accurately using great plan word or we can say no rambling sentences in it. So if you are read this hurriedly you can have whole info in it. Doesn't mean it only gives you straight forward sentences but tricky core information with wonderful delivering sentences. Having An American Family: The Buckleys in your hand like having the world in your arm, info in it is not ridiculous one particular. We can say that no reserve that offer you world inside ten or fifteen small right but this reserve already do that. So , it is good reading book. Heya Mr. and Mrs. busy do you still doubt that?
