Everyday Tarot, first published as *Choice Centered Tarot*, is an accessible, thorough introduction to the tarot. Gail Fairfield focuses on the psychological meanings that can be found in the symbolism of the cards. Rather than simply predicting a future in which we have no real choice, her clear, concise interpretations provide meaningful guidelines that will lead readers to powerful insights and greater self-understanding. She makes the tarot an easy-to-use tool for intuitive information gathering, personal empowerment, and self-discovery, all keys to making great choices about life's dilemmas.

Fairfield explains everything needed to become a competent card reader -- and offers invaluable tips on choosing a deck, designing layouts, and giving readings for individuals and groups.
