Introductory Medical-Surgical Nursing Barbara K. Timby, Nancy E. Smith

This 11th Edition of Timby and Smith's popular text equips LPN/LVN students with the practical knowledge and skills necessary to provide safe and effective nursing care to today's medical-surgical clients.

Now enhanced with new research, techniques, and clinical competencies, exciting new concept maps that help students focus and think critically about their clients, a new art program featuring hundreds of illustrations and photographs, new evidence-based practice boxes, and new NCLEX-PN questions, the 11th edition prepares students to manage nursing care of clients in today's changing healthcare environments and eases the transition from classroom to clinical practice.
