Roots and Branches: Or growing up in maine Jane Rozelle

“Roots and Branches” flows from the early 1800 Hanson and Rozelle families to the joining of Jane to her husband Lloyd and their continued life through the years to 2015 atleast. Their life's trails took lots of twist and turns, but always they gave the credit to the Lord, for restoration, comfort, and rejoicing. All of their family is discussed as a very big part of their life with thankfulness for each other. The writer of “Roots and Branches” hopes that the readers will be reminded of the value on your lives and count your blessings too. Think on your past and the trail that you have traveled – maybe jot it down as I have. Oh, how the memories have a way of resurfacing. Try it!!
