Life in "Dullsville" has become far from dull for goth-girl Raven. After meeting Alexander Sterling—a night-thriving, shadowy dream guy—her dark world suddenly has a bright glow. But as in her favorite movie, *Kissing Coffins*, Raven knows that love always has its complications. And Alexander has a secret—a secret she must quietly guard. When he mysteriously disappears, Raven finds herself on a dangerous chase to find him. What she encounters is more terrifying than she could have imagined—including a life-transforming decision she may not be ready to sink her teeth into.

In *Kissing Coffins* Ellen Schreiber presents a chilling and suspenseful sequel to her popular tale of an unusual teen romance, *Vampire Kisses*.
