La paura degli uomini (Pamphlet) (Italian Edition)

Alberto Leiss, Letizia Paolozzi

La paura degli uomini (Pamphlet) (Italian Edition) Alberto Leiss, Letizia Paolozzi

La paura degli uomini o quella che i maschi incutono quando si abbandonano alla violenza in guerra, per strada o tra le pareti domestiche. Ma è anche, forse soprattutto, la paura che provano gli uomini stessi di fronte all'evidente crisi di autorità che stanno vivendo. Politica e democrazia non sono mai state così deboli, le istituzioni economiche e finanziarie hanno perso credibilità con il crac dei mutui e delle banche. Tutti mondi ad assoluta predominanza maschile che ora sembrano sgretolarsi. La "questione" oggi, dunque, è quella "maschile", anche se non è affatto scontato che i protagonisti lo riconoscano... E le donne? Si dividono tra quante incassano la vittoria e si preparano a ricoprire ruoli di prestigio e quante guardano oltre. Perché, come dicono gli autori, "il femminismo non si è mai prefisso di far ottenere un posto di potere a una donna. Il femminismo desidera altro".
