Oh Behave! Sensory Processing and Behavioral Strategies Colby Trott

Tackle the challenge of changing difficult behavior in older children and pre-teens with sensory processing issues. Based on behavioral research and the author's 25-year career as a behavior consultant, this guide: illustrates how to prevent difficult behaviors and determine appropriate interventions, addresses the ways sensory processing and behavior strategies work together, includes simple explanations of behavioral terms, and offers practical examples of concepts. With a simple checklist, you'll develop steps that will lead to a behavior change program.
