Dead Man's Walk (The Shell Scott Mysteries) Richard S. Prather

So says the private eye, "The island couldn't be more charming with its stretches of white beaches, crystalline lagoons, and exotic bikini-clad beauties. But with three dead bodies and a voodoo priest, I had a hard time concentrating on sightseeing. It seemed superstitious to me, since nobody could solve the puzzling cause of their deaths. So with the assistance of my own lovely native doll, I had my work cut out for me--and that was simply managing to evade the long voodoo needle that was destined for my heart!"

Honored with the Life Achievement Award by the Private Eye Writers of America!
