When he was a boy, Krishnamurti, writing as Alcyone, set down the simple precepts for right living published as *At the Feet of the Master*. This lucid guide to the spiritual life has inspired millions around the world. Mabel Collins, a nineteenth-century British writer, collected forty-two aphorisms for right living which are as current for today's seekers as they were when they were first published as *Light on the Path*. H. P. Blavatsky, founder of the Theosophical Society, set down her own guide to the spiritual life in the mystic and poetic masterpiece *The Voice of the Silence*. Collected for the first time in a single volume, these three contemporary spiritual classics can set anyone on the path to spiritual wisdom.
