A beautifully illustrated picture book introducing toddlers to animals in the farmyard and the woods on a rainy summer day.

It's a rainy summer day, and Kitten is meeting all sorts of animals taking shelter from or enjoying the warm rain, including a fox, a turtle, a beaver and many more.

As in the two previous titles in the Kitten series, rhyming couplets capture the animals' actions, making this book another fantastic interactive read-aloud. Young readers will delight in discovering animal habitats, picking out seasonal details in the exquisite mixed-media art, and searching for and finding Kitten on every page.
