Sock Monkey Dreams: Daily Life at the Red Heel Monkey Shelter Whitney Shroyer, Letitia Walker

In celebration of an enduring American craft icon, *Sock Monkey Dreams* dares to ask the question “What are sock monkeys up to when humans aren’t looking?” With voices alternately funny, sweet, clever, crabby, and more than a little tongue in cheek, the residents of the Red Heel Monkey Shelter, a refuge for abandoned sock monkeys, reveal a world that looks surprisingly like our own.

Sock newsmonkey Benny Hathaway and socktographer Link faithfully record the life and times of their fellow Red Heel residents. Each character, whether a celebrity, artist, doctor, or handymonkey, comes alive through interviews, stories, and full-color photos. Full-page dioramas provide the most detailed and fascinating window into the secret life of sock monkeys that perhaps has ever been published.
