It has been said that the flutter of insect wings in the Indian Ocean can send a hurricane crashing against the shores of the American Northeast, and such a premise lies at the core of *The System*, a wordless graphic novel created and painted by award-winning illustrator Peter Kuper. A sleazy stockbroker is lining his pockets, a corrupt cop is shaking down drug dealers, a mercenary bomber is setting the timer, a serial killer is stalking strippers, a political scandal is about to explode, the planet is burning, and nobody's talking. Told without captions or dialogue, this piece of art is an astonishing progression of vivid imagery, each brilliantly executed panel contains layer upon layer of information that forms a vast and intricate tour of an ominous world of coincidences and consequences.
