## **El jardín de los delirios (Spanish Edition)** Omar G. Villegas

El jardín es un espacio creado Ex profeso para el disfrute y la contemplación. Se concibe como un discurso visual para alegrar neustros sentidos. De la misma forma, Omar G. Villegas, a través de la amalgama de diferentes temas, imágenes y formas, crea un espacio literario donde la palabra reinterpreta y trasciende la experiencia del día a día. Logra explorar diversos géneros y construir situaciones heterogéneas con los hilos conductores del deseo y la soledad. Amores fortuitos, encuentros truncados y pequeñas crónicas que palpitan en lo cotidiano aparecen en este libro cargadas de emoción y destreza narrativa.
