LAS OBRAS DE MISERICORDIA. Caminos para transformar el mundo (El Pozo de Siquem) (Spanish Edition) ANSELM GRÜN

Con motivo del Jubileo extraordinario de la Misericordia, la nueva edición del libro que vio la luz en 2009 bajo el título «Entrañas de misericordia» celebra este acontecimiento. A través de él, su autor redescubre el valor de las obras de misericordia y celebra en el prólogo dicho acontecimiento: «El papa Francisco capta perfectamente el núcleo del Evangelio cuando coloca la misericordia en el centro de su predicación. Ojalá que las palabras del papa y las palabras de Jesús en el Evangelio nos introduzcan de nuevo en el misterio de la misericordia, a fin de que también hoy el mundo en que vivimos sea transformado por ella, y que nuestra misericordia restañe las heridas de los hombres y nuestro mundo devenga más humano, más cálido, más misericordioso». ANSELM GRÜN nacido en 1945, es monje y administrador de la Abadía benedictina de Münsterschwarzach. Apreciado por muchos como pastoralista, consejero religioso y acompañante espiritual, es uno de los autores cristianos más leídos actualmente. Decenas de miles de personas asisten cada año a sus conferencias. Sal Terrae es la editorial de referencia de Grün en español.
