**Risks in Modern Society: 13 (Topics in Safety, Risk, Reliability and Quality)** Hans-Jürgen Bischoff (Ed.)

This book describes the complex issue of risks in a changing world (of work), and how to find solutions through risk management and risk governance - for the benefit of employees, employers, other stakeholders, shareholders and society in general. The focus is on occupational safety and health, also the complex structure of 'surrounding' political, cultural, natural and economic environments are considered.
