**Don't just copy—create!**

For readers who want to learn how to create original superheroes and villains who share underlying traits with well-known characters of Marvel and DC Comics, this book helps aspiring artists gain inspiration for creating their own truly original characters.

- Featuring more than 400 illustrations, no other book offers the level of detailed step-by-step instruction
- Follows the four-color, step-by-step format in which color is used in each sequential step to clarify how the new strokes add to the work in progress
- Unlike licensed books that teach readers how to draw only characters associated with Marvel or DC Comics, this book teaches readers how to create their own
