Content Analysis: An Introduction to Its Methodology Klaus H. Krippendorff

Since the publication of the first edition of **Content Analysis: An Introduction to Its Methodology**, the textual fabric in which contemporary society functions has undergone a radical transformation: specifically, the ongoing information revolution. Today, content analysis has become an efficient alternative to public opinion research—a method of tracking markets, political leanings, and emerging ideas, a way to settle legal disputes, and an approach to explore individual human minds.
