I'm With the Band (Modern Plays) Tim Price

An Englishman, a Northern Irishman, a Scotsman and a Welshman walked into a recording studio and created The Union. Commercially successful and critically acclaimed, the pioneering indie rock band is now on the verge of breaking up.

When financial disaster strikes and Scottish guitarist Barry leaves the band, artistic differences go head to head with alliances that run deep, can The Union survive?

With live music from a four-piece ensemble, *I'm With the Band* is a witty and timely response to our changing political landscape.
