## **La màgia d'escriure (Catalan Edition)** José Antonio Marina

La gran creació de la intel·ligència és la capacitat d'expressar, dir, comunicar-nos, escriure. És el moment de la gran síntesi, depositar en net. El que sentim confusament, allò que sabem en termes generals, el que ens passa pel cap com una sospita o un desig de premonició adquireix precisió i fermesa. Aquest també és un llibre de màgia, com ho era La màgia de llegir. Tracta de la transfiguració de la realitat. El que eren les coses, esdeveniments, passions, es transforma en paraules. Hi pot haver màgia més gran? A La màgia d'escriure ens acostem a la intel·ligència que crea mitjançant paraules i ens preguntem: com podem ensenyar a escriure a l'escola, a l'educació secundària? Com podem els adults aprendre a escriure? En aquest llibre, però, hi ha una tercera part. També hem entrat a l'habitació de treball de molts escriptors per descobrir-hi els seus secrets, els mecanismes més ocults de la creativitat. Hem fet de cronistes d'allò que és meravellós. I, després, hem intentat fer una pedagogia de la creació literària. No se'ns pot acusar de ser massa humils. José Antonio Marina i María de la Válgoma.
