Raising Kingdom Kids: Giving Your Child a Living Faith Tony Evans

From the bestselling author of *Kingdom Man* and *Kingdom Woman*, *Raising Kingdom Kids* equips parents to raise their children with a Kingdom perspective and also offers practical how-to advice on providing spiritual training as instructed in Scripture.

Dr. Tony Evans begins with an overarching look at the need for Kingdom parenting, our roles and responsibilities in raising God-following children, and how to prepare children to take on the assignments God has for their lives. He then takes a practical turn, with examples and illustrations to help parents understand and provide specific training for kids in the power of prayer, wisdom, loving God's Word, getting through trials, controlling their tongues, developing patience, the surrender of service, and much more.

This book is for every dad or mom who wants to fulfill the parenting role God has given them—not just in raising healthy kids intellectually, physically, and socially, but in contributing to their child's relationship with God and alignment under His plan.
