Paul, a religious teen living in a small conservative town, finds his world turned upside down when he meets Manuel—a young man who says he's both Christian and gay, two things that Paul didn't think could coexist in one person. Doesn't the Bible forbid homosexuality? As Paul struggles with Manuel's interpretation of the Bible, thoughts that Paul has long tried to bury begin to surface, and he finds himself re-examining his whole life. This is an unforgettable book on an extremely timely topic that strives to open minds on both ends of the spectrum.
