Journey on a Cloud: A Children's Book Inspired by Marc Chagall Veronique Massenot

One of artist Marc Chagall's most enduring paintings is the basis for this beautifully crafted children's book that tells an enchanting story.

This book tells the story of the postman Zephyr, who lives in a little blue village in the mountains where nothing ever changes. A dreamer hoping for adventures, he travels on a cloud, embarking on a fantastic airborne journey that takes him to distant and colorful lands. Eventually Zephyr falls to earth and meets a beautiful young woman. Together they return to the postman's home village which is now transformed in Zephyr's eyes and begin their exciting new life together. Inspired by Chagall's masterpiece, a world of color and imagination awaits the readers of this book. Paintings based on Chagall's striking palette and elegant lines help tell a simple yet poetic story. The book includes a gorgeous reproduction of Chagall's masterpiece "Les Mariés de la Tour Eiffel" ("The Bride and Groom of the Eiffel Tower"), illustrating a journey of words and pictures, and introducing young readers to the work of one of the most popular artists of the twentieth century.
