On the Rocks: A Novel Erin Duffy

A heartwarming novel about friendship, family, and finding love in the Facebook Age—not to mention the perils, pitfalls, and dubious pleasures of being a modern young single woman—from Erin Duffy, the author of *Bond Girl*.

Six months ago, Abby's life fell apart for the entire world to see. Her longtime boyfriend-turned-fiancé, Ben, unceremoniously dumped her—on Facebook—while she was trying on dresses for the big day.

When the usual remedies—multiple pints of Ben & Jerry's, sweatpants, and a comfy couch—fail to work their magic, her best friend, Grace, devises a plan to get Abby back on her game. She and Abby are going to escape Boston and its reminders of Ben and head to Newport for the summer. There, in a quaint rented cottage by the sea, the girls will enjoy cool breezes, cocktails, and crowds of gorgeous men.

But no matter where they go, Abby and Grace discover that in this era of social media—when seemingly everyone is preserving every last detail of their lives online—there is no real escape. Dating has never been easy. But now that the rules are more blurred than ever, how will they find true love? And even if they do, can romance stand a chance when a girl's every word and move can go viral with a single click?

Frankie Lampkins:

The reason? Because this On the Rocks: A Novel is an unordinary book that the inside of the publication waiting for you to snap this but latter it will surprise you with the secret that inside. Reading this book beside it was fantastic author who else write the book in such remarkable way makes the content interior easier to understand, entertaining technique but still convey the meaning thoroughly. So , it is good for you for not hesitating having this nowadays or you going to regret it. This amazing book will give you a lot of rewards than the other book possess such as help improving your talent and your critical thinking way. So , still want to delay having that book? If I were you I will go to the reserve store hurriedly.

Jason Caldwell:

As a student exactly feel bored to help reading. If their teacher questioned them to go to the library in order to make summary for some guide, they are complained. Just little students that has reading's soul or real their interest. They just do what the educator want, like asked to go to the library. They go to presently there but nothing reading really. Any students feel that examining is not important, boring and also can't see colorful images on there. Yeah, it is to get complicated. Book is very important for you personally. As we know that on this time, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore this On the Rocks: A Novel can make you truly feel more interested to read.
