A Mainline Turnaround: Strategies for Congregations and Denominations Lyle E. Schaller

The Twin Towers of the World Trade Center fell on September 11, 2001 because they were subject to conditions they were never meant to bear. However un-wittingly, they were designed to fail when the unexpected happened. So it is, says Lyle Schaller, with mainline Protestant congregations and denominations. Designed to meet the needs of previous generations, they were destined to fail when those of their predecessors-- as indeed they have. But it is not too late for these churches to reinvent themselves, to redesign their ministries, programs, and mission to focus on those born after 1960. With his customary insight and wide-ranging perspective, Schaller offers prescriptions for how mainline churches can respond to the needs of a new era. (from the back cover). Like new, private library sticker. No sign of use or wear. Text pristine.
