Acts of Aggression

Noam Chomsky, Edward W. Said, Ramsey Clark

Acts of Aggression Noam Chomsky, Edward W. Said, Ramsey Clark

Through three separate essays, this book provides an in-depth analysis of U.S.-Arab relations, the contradictions and consequences of U.S. foreign policy toward "rogue states", and how hostile American actions abroad conflict with U.N. resolutions and international law. Noam Chomsky compares U.S. foreign policy to that of the "rogue states" which the United States identifies as its enemies. Ramsey Clark argues that U.S. sanctions and military actions against Iraq are indefensible, and in violation of the Universal Declaration of Human Rights.
