Classical Speller, Grade I, Student Edition: Student Edition (Volume 1) Gail McGaffigan

A 100-year-old, tried-and-true spelling method. Get back to the classics - Education the way it was for every great man of every generation, from our Colonial forefathers up until about the 1970's. Then, it was replaced by "Whole Language," a method that has reduced spelling to its current state (just exchange texts with any teenager for a vivid example). Obsolete and less-used words have been replaced. Homeschool tested and approved! The Classical Speller is an invitation to return to a time when people cared about their spelling and everything else they produced. Students following this method will build real self-esteem and pride in a job well done. Student Edition only.
