Newman's Unquiet Grave: The Reluctant Saint

John Cornwell

Newman's Unquiet Grave: The Reluctant Saint John Cornwell

John Henry Newman was the most eminent English-speaking Christian thinker and writer of the past two hundred years. James Joyce hailed him the 'greatest' prose stylist of the Victorian age.

A problematic campaign to canonise Newman started fifty years ago. After many delays John Paul II declared him a 'Venerable'. Then Pope Benedict XVI, a keen student of Newman's works, pressed for his beatification. But was Newman a 'Saint'?

In *Newman's Unquiet Grave* John Cornwell (author of *A Thief in the Night* and *Hitler's Pope*) tells the story of the chequered attempts to establish Newman's sanctity against the background of major developments within Catholicism. His life was marked by personal feuds, self-absorption, accusations of professional and artistic narcissism, hypochondria, and same-sex friendships that at times bordered on the apparent homo-erotic.

John Cornwell investigates the process of Newman's elevation to sainthood to present a highly original and controversial new portrait of the great man's life and genius for a new generation of religious and non-religious readers alike.
