Aspiring journalist Heiress Montgomery has her life all planned out. She graduated from the school of her dreams, she's working at a hot media magazine, and she has plans to become the editor-in-chief of a major publication. Her whole life is about accomplishing that goal, until she meets King Stevens. King has already achieved fame and fortune as an actor, and he completely turns Heiress's world upside down.

Heiress comes to realize that life in the spotlight isn't always what it seems. Her dream becomes one long nightmare from which she just can't seem to wake up. Constant abuse, lies, addiction, and infidelity are part of the package with King. Things only become worse when she is betrayed by her best friend. Heiress feels like she's losing herself.

Meeting therapist Leslie Hunter and running into her childhood friend Donovan has reminded her of who she used to be, but can they bring her back from the point of no return before it's too late?
