Doctor Who: The Many Hands

Dale Smith

Doctor Who: The Many Hands Dale Smith
Edinburgh, 1759.

The Nor' Loch is being filled in. If you ask the soldiers there, they'll tell you it's a stinking cesspool that the city can do without. But that doesn't explain why the workers won't go near the place without an armed guard.

That doesn't explain why they whisper stories about the loch giving up its dead, about the minister who walked into his church twelve years after he died...

It doesn't explain why, as they work, they whisper about a man called the Doctor.

And about the many hands of Alexander Monro.

Featuring the Tenth Doctor and Martha as played by David Tennant and Freema Agyeman in the hit *Doctor Who* series from BBC Television.
