**One thing about a new day--you really never know where it will go, even if you know where it starts.**

Marcel the Shell with Shoes On is walking on the blanket when he is unexpectedly launched high into the air. Tumbling through space, the bird's-eye view offers our small friend not only a glimpse of the important things in life--his beloved Nana who sleeps in a fancy French bread, a stinky shoe, and a monstrous baby--but also a much bigger picture. Sometimes the most wonderful discoveries are the ones we least expect.
