## Restos humanos (Portuguese Edition) Elizabeth Haynes

Ao encontrar por acaso o corpo de uma vizinha em avançado estado de decomposição, Annabel Hayer, que trabalha com análise de informações para a polícia, fica horrorizada ao pensar que ninguém — e isso inclui ela mesma — sentiu falta daquela mulher.

De volta ao trabalho, ela vasculha os arquivos policiais e encontra dados que mostram um aumento significativo de casos como aquele nos últimos meses em sua cidade. Conforme aprofunda a investigação, Annabel parece cada vez mais convencida de estar no rastro de um assassino, e é obrigada a enfrentar os próprios demônios e a própria fragilidade. Será que alguém perceberia se ela simplesmente desaparecesse?

Um thriller psicológico extremamente perturbador, Restos humanos fala de nossos medos mais obscuros, mostrando como somos vulneráveis — e a facilidade com que vidas podem ser destruídas quando não há ninguém que se importe com elas.

Da mesma autora de No escuro, que foi eleito um dos melhores livros da Amazon em 2012 e tornou-se best-seller do The New York Times.

“Haynes é mestre na arte de elevar a tensão a níveis impensáveis. A única pausa que você vai fazer durante a leitura será para verificar (mais de uma vez) se suas portas e janelas estão bem fechadas.” **BookPage**
