The Hunger Games Companion: The Unauthorized Guide to the Series Lois H. Gresh

The ultimate companion guide to the blockbuster Hunger Games trilogy

For all those who adore Katniss and Peeta, and can't get enough, this companion guide to the wildly popular Hunger Games series is a must-read and a terrific gift.

Go deeper into the post-apocalyptic world created by Suzanne Collins than you ever thought possible—an alternative future where boys and girls are chosen from twelve districts to compete in “The Hunger Games,” a televised fight-to-the-death. When sixteen-year-old Katniss learns that her little sister has been chosen, Kat steps up to fight in her place—and the games begin. This unauthorized guide takes the reader behind the stage.

The Hunger Games Companion includes fascinating background facts about the action in all three books, a revealing biography of the author, and amazing insights into the series' main themes and features--from the nature of evil, to weaponry and rebellions, to surviving the end of the world. It's everything fans have been hungering for since the very first book!

This book is not authorized by Suzanne Collins, Scholastic Press or anyone involved in the Hunger Games movie.
