Toestomper can't believe it when his cute, fuzzy little caterpillars turn into butterflies with attitude. Suddenly taking care of them all has become a whole lot harder. And once they learn to fly and zoom, trouble is always just a wing's width away. How is Toestomper going to keep his wayward brood safe, especially when the dreaded Big Tooth comes crashing into town?

With this second story about Toestomper and his charges, Sharleen Collicott has created and brilliantly illustrated another fantastic and funny tale of an unusual friendship
