Drawn to her ancestral home, a young woman uncovers a dangerous legacy

Olivia always wanted to be part of a big family, but all her life it's been only her mother and her. As Olivia grew into a young woman, her mother's erratic behavior turned to madness, with fits of rage and despair over her childhood home, the grand plantation Devereaux House, which Olivia never knew. During her mother's dark rages, Olivia dreamed of going to her family home and reclaiming her legacy.

After her mother's death, Olivia yearns to find her roots and meet the grandmother she never knew. Keeping her identity a secret, she travels to Devereaux House, where she is hired as a member of the household staff. At last, the doors to Devereaux House are opened. But Olivia can sense that something is not right, and soon she is drawn into a world of dark secrets, and a poisoned legacy of lust and desecration.
