To be or not to be? may be *The Question*, but it is not the only one.

*Hamlet, Part II*, for example, answers a question about Hamlet that has plagued scholars, readers and playgoers for over four hundred years: What happened next?

*Prince Lear* tackles yet another conundrum: What happened just before the start of *King Lear*, setting in motion the improbable events of Act I, scene 1?

And in *Fatal Loins*, the question answered by the play is directly posed in the prologue: 'If Juliet and Romeo survive / Will their eternal passion stay alive?'

'I am no stranger to Shakespearean parody... but reading Pontac I am (only slightly) mortified to find that he can write cod Shakespeare much better than Peter Cook, Jonathan Miller, Dudley Moore or myself' – Alan Bennett, from the foreword

'Perfect if you want something intelligent and hilarious to stage, perhaps with students. Each play is an accomplished, laugh-aloud Shakespeare parody.' – Susan Elkin, *The Stage*

'Highly amusing... These works may be short, clearly designed to fit into a slot in 30 minutes or so, but the quality of the writing and intelligence of the playwright shines through... It is greatly to be hoped that a stage producer decides to take an option on these plays, as well as commissioning many more since they would surely delight any discerning theatrical audience' - *British Theatre Guide*

'a phenomenally intelligent and perfectly crafted trio of Shakespeare trilogies.. A delightfully witty and entertaining collection' - *Buzz Magazine*

#### **Dennis Johnson:**

Nowadays reading books become more and more than want or need but also turn into a life style. This reading addiction give you lot of advantages. The huge benefits you got of course the knowledge your information inside the book which improve your knowledge and information. The data you get based on what kind of publication you read, if you want get more knowledge just go with training books but if you want really feel happy read one together with theme for entertaining for example comic or novel. Typically the Codpieces (Oberon Modern Playwrights) is kind of guide which is giving the reader unstable experience.

#### **Christine Mata:**

As a pupil exactly feel bored to be able to reading. If their teacher requested them to go to the library or make summary for some e-book, they are complained. Just tiny students that has reading's soul or real their leisure activity. They just do what the professor want, like asked to the library. They go to generally there but nothing reading significantly. Any students feel that studying is not important, boring and can't see colorful photographs on there. Yeah, it is being complicated. Book is very important for you personally. As we know that on this period of time, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore this Codpieces (Oberon Modern Playwrights) can make you really feel more interested to read.
