Days Like These: Even In The Darkest Moments, Light Can Shine Through Kristian & Rachel Anderson

There are love stories and then there's the story of Kristian and Rachel Anderson. When Kristian wanted to show his wife Rachel how much he loved her after learning he was terminally ill, he ended up winning millions of hearts around the world, thanks to the now famous YouTube video he made for her 35th birthday. Social media is often seen as trivial and self-absorbed, but this heartfelt and moving tribute by a young Australian father of two in the midst of a battle with cancer, drew attention to a much larger story we all wanted to know more about and an ordeal so many families face alone.

Like Oprah, who invited Kristian and Rachel on her show, and Hugh Jackman, who helped make one of Kristian's dreams come true by appearing on the tribute, many of us didn't know him but we were so inspired by him that we felt like we did. He touched lives, gave hope and left behind a precious legacy that will mean a longer and better quality of life for thousands of cancer sufferers. Kristian's faith was foundational to him and he openly shared his prayers, his struggles, and the hope he found in his relationship with God. His story, told in his own words from his blog entries, with additions from his beloved Rachel, will inspire others to know that even in the darkest moments, the light can shine through.
