John Perry

Lee: A Life of Virtue (The Generals) John Perry

Traitor. Divider. Defender of slavery. This damning portrayal of Robert E. Lee has persisted through 150 years of history books. And yet it has no basis in fact.

In the spirit of bold restoration, *Lee: A Life of Virtue* reveals the true Lee—passionate patriot, caring son, devoted husband, doting father, don't-tread-on-me Virginian, Godfearing Christian.

Weaving forgotten facts and revelations (Lee considered slavery a moral outrage) with striking personal details (for years he carried his weakened mother to and from her carriage), biographer John Perry crafts a compelling treatment of the virtuous warrior who endured withering opposition and sacrificed all to stand for Constitutional freedoms.
