She doesn't want him. He doesn't need her. Like hell...

An *FBI Psychics* Novella

Destin Mortin's psychic gift comes with an ugly twist—she excels at tracking down violent rapists. But it's rough on relationships. Once, her partner Caleb was her everything: filter, shield, rescuer, lover. The only man who didn't think her a freak. Then he walked away.

Destin turned her back on the FBI to work for a private agency, but now a particularly horrendous case has come up, and her boss wants her paired with only the best.

For Caleb Durand, leaving Destin was an act of self-preservation. Every time she flung herself headlong into dangerous situations, every time he nursed her through soul-crushing visions, he'd died a little more inside.

Now they are forced to work together one last time. Tragedy has changed them both, but Caleb knows if he lowers his shields for an instant, he won't have an icicle's chance in hell of resisting the temptation to lose himself in her wild power.

But to catch the rapist, it's exactly what he'll have to do.

Warning: Contains tortured souls who have lost love and pined for their missing half, a woman who can see evil, and a hot FBI agent.
