From actresses Tia and Tamera Mowry comes the story of tween twins Cassie and Caitlyn and their discovery that they have the ability to see things before they occur!

When their mother's new job forces them to move from bustling San Antonio to middle-of-nowhere Aura, Texas, Caitlyn tries to stay positive, focusing on meeting new people and having new adventures. Cassie, on the other hand, is convinced that it's only a matter of time until they'll be sick of Aura and ready to move back to the big city.

But being the new kids isn't their only challenge. The girls start experiencing strange visions, and they must work together to change the future before it can happen.

Together they've created a magical series about twin sisters with a powerful gift and an even stronger connection.
