Against Football: One Fan's Reluctant Manifesto Steve Almond
A *New York Times* Best Seller

“Powerful...an important read.” —*Publishers Weekly*

New York Times bestselling author Steve Almond takes on America’s biggest sacred cow: football

In Against Football, Steve Almond details why, after forty years as a fan, he can no longer watch the game he still loves. Using a synthesis of memoir, reportage, and cultural critique, Almond asks a series of provocative questions:

- *Does our addiction to football foster a tolerance for violence, greed, racism, and homophobia?*
- *What does it mean that our society has transmuted the intuitive physical joys of childhood—run, leap, throw, tackle—into a billion-dollar industry?*
- *How did a sport that causes brain damage become such an important emblem for our institutions of higher learning?*

There has never been a book that exposes the dark underside of America’s favorite game with such searing candor.
