Molly has returned to Serenity for Homecoming...but will she stay forever?

Beau Julander, a single father of two, is having trouble juggling the responsibilities of career, home and family. And his work for the Homecoming Week Committee makes this time of year really busy—but not too busy to get reacquainted with Molly Shepherd, a girl he barely knew in high school.

His attraction to Molly and her obvious interest in him soothe the damage done to his ego when his ex-wife walked out on him, but he's keenly aware of how his kids have been hurt by the divorce, and he doesn't want to make things worse for them by becoming involved in a relationship that's only temporary. But Beau and his kids soon find out that Molly is not a temporary kind of woman—she's in for the long run.
