Mind of Her Own Diana Lesire Brandmeyer

Who knew making dinner could change your life? Louisa Copeland certainly didn't. But when the George Foreman grill falls out of the pantry onto her head, resulting in a bump and a mighty case of amnesia, Louisa's life takes a turn for the unexpected. Who is this Collin fellow, claiming she is his wife? And whose kids are those? Her name can't be Louisa. Why, she is the renowned romance writer Jazz Sweet, not a Midwestern mom of three. Struggling to put the pieces together of the life she's told she had, Louisa/Jazz may realize that some memories are better left alone.
