Christine Pena:

As a university student exactly feel bored to be able to reading. If their teacher questioned them to go to the library or make summary for some book, they are complained. Just very little students that has reading's internal or real their passion. They just do what the professor want, like asked to go to the library. They go to presently there but nothing reading very seriously. Any students feel that reading through is not important, boring and can't see colorful photos on there. Yeah, it is to be complicated. Book is very important for yourself. As we know that on this era, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country.
