Touching the Unconditional Love of God: The Challenge ... Pr. Maritza Manchester

While being in a missionary trip to South Africa, the Lord put Maritza and Rebekah on an unusual Commission of visiting a ministry taking place in a brothel located in Nelspruit, Mpumalanga. From a simple prayer requesting God's love to be manifested in that visit, the Lord surprised them with a supernatural encounter of His love that went beyond any possible natural understanding. This book provides a very detailed description of what happened in that visit while presenting the struggles of the prophet's heart trying to understand the indescribable and incommensurable love of God ending with a complete surrendering to His LOVE. About The Author: Being born again through an American Christian TV program when she was in her twenties and not knowing evangelical churches around her area, she walked in God's protection but not knowing her God's kingdom rights for many years. From being a top researcher in her country of origin, Peru, and having many scientific publications in Peru and the United States, the author traveled to the United States where a promising job opportunity was offered. That was the place where a turnaround of her life happened far beyond her expectations. While still working in Washington D.C. and while in the process of completing her doctoral degree in Public Health, the Lord called her to His service. A complete transformation of her heart and identity happened through that process resulting in her becoming a Pastor. The Lord immersed her in a powerful prophetic gift that has blessed populations from several Nations and uses her teaching and Pastorship to bless many people through the years. The time has come in which the Lord is asking her to write about the deep Revelations He has put in her heart and writing is a response to her obedience.
